COLLEGIATE SUMMER BASEBALL: 2024 SEASON

For the Summer of 2024, we will have workouts the weekends of: May 24-25, and June 1-2. Our best 24 Players: 11 Pitchers, 2 Catchers, 3 Corner Infielders, 3 Middle Infielders, 4 Outfielders, and 1 Utility player (who can catch) will be on our BLUE TEAM Roster. This team will be in the highly competitive Pro-AM Collegiate League, one of the top leagues on the west coast.

We place a premium on pitching, defense, and speed. We prefer players who have high on base percentage, low strike-out rate, put the ball in play, move runners over, etc. Our pitchers are encouraged to work ahead, work down, and pitch to soft contact. Players must be fully committed and are required to participate in 90% of all scheduled games. Players may be dropped if commitment is unacceptable to team standards.

The remaining players will be placed on our other competitive collegiate team, the Gold Team, and will automatically be on our Pro-AM Waiting List. This Gold Team will play in the newly formed and highly competitive PCCL.

All Players must be registered and pre-paid (\$850) for our 2024 East LA Dodgers Summer Season before the workouts. The price for Pitchers Only is \$700.

Players eligible for the Summer Wood Bat Collegiate Season:

Only those players on a College Baseball Roster will be eligible to play in our Summer Collegiate Program. Because we are in very competitive leagues, it is imperative that our rosters are composed of active college players. Players who graduated in 2024 are eligible to be on this team. 2024 Red Shirts are OK.

Players who are not on a college roster may still sign up for our program, but will be placed in a less competitive situation. Graduating High School Seniors who play Varsity Baseball are also eligible to play in our program.

The Season will begin Memorial Weekend at the end of May, and conclude until end of July. If we qualify for the post-season, playoffs will begin the last weekend in July.
