2020 SUMMER SEASON

May, 2020

The East L.A. Dodgers are still planning to participate in the 2020 Summer Baseball Season. With so many questions marks concerning the Covid-19, the quality of fields, State and Health guidelines, we are proceeding with caution and following all legal protocol.

All players must have their registration and fees turned in before the first game. Also, the following two documents must be signed and turned in before the first game:

- Waiver Form
- Parents, Players and Support Staff Covid-19 Protocol

If you have any questions, please call Coach Leo at (213) 308-6272.
